## NEWSLETTER

Issue Number 4

1st October 2021

Dear Friends,

Welcome to the fourth issue of our Newsletter. I would like to thank you for your continued financial and prayer support. In this edition we will focus on Food Parcels which our partners in Kampala, Lumpewe and South Rwenzori were able to distribution due to the funds provided by Derek Baldry Ministries. Each location received £100.00 to provide Food Parcels for those in most need.

## FOOD PARCEL DISTRIBUTION

There was a total of 92 food parcels provided to the most needy. The local leaders were given the task of identifying those who would be the beneficiaries and what the food parcels would consist of. In South Rwenzori they fed 15 families with 6Kg of Beans and 10Kg of Maize Flour. Hope Centre Kampala gave out 27 food parcels consisting of 2kg Rice, 2Kg Maize Flour, 1Kg Sugar, 1Kg Beans and a bar of laundry soap. In Lumpewe they provided 50 parcels consisting of 2Kg Maize Flour, 1.5Kg Beans and half bar of laundry soap. With an average family size of 4 people means that approximately 360 people were provided with a desperately need supply of food.

## REPORTS FROM OUR PARTNERS

A good news report from all our partner locations is that following the latest review of the Covid situation, by the Ugandan Government. An easing of restrictions on Church Meetings was announced.

Therefore churches across Uganda were able to hold meetings effective from 26th September, some restrictions remained in place, the wearing of face coverings and social distancing for example. But Singing and Dancing are now allowed.

### KAMPALA

Concerning the activities at Hope Centre, we have continued to offer academic revision support for those kids in the slums who are no longer going to school because of the school lockdown and can't afford to sturdy via the internet, radio, Tv etc.

We are holding dance both traditional and contemporary to the kids to keep them engaged to avoid crime as well as develop their talents.

The sports club is also on going and next Saturday the under 15 shall be playing in the final of between Kampala and Wakiso District.

The prize is a cup and a goat so please pray that we win and roast the Goat at the Centre.

Pastor Musisi

### LUMPEWE

Currently Schools are still closed. However the government announced that subject to continued improvement in the reduction of Covid infection rates schools should plan to reopen in January 2022.

This is good news, but there is a concern that due to the schools being closed for 2 years some of the older children might not return to school due to other social and economic pressure in families. Should this happen we could see another generation of children heading towards a life of poverty.

Headmaster Fredrick is currently working hard on plans to ensure that all staff and students will have a safe environment teach and learn when they return in January.

## SOUTH RWENZORI DIOCESE

**GLORY BE TO GOD. SEVEN PRIESTS RECEIVE SEVEN MOTORCYCLES FOR MISSION WORK IN SOUTH RWENZORI DIOCESE. WE APPRECIATE OUR BROTHERS AND SISTERS AT ST. PETER'S CATHEDRAL, TALLAHASSEE (USA) THAT HAVE CONTRIBUTED**

The South Rwenzori Diocese has been blessed with the gift of seven motorcycles, with another one following shortly. With the six the diocese already had making a total of 14 Motorcycles.

Bishop Nason reports that the Roaming Pastors feel valued in their ministry and they are now able to reach much further into the rural communities. Reaching many with the Love and Compassion of The Word, the Pastors are already seeing many coming to salvation.

On the right Rev Neliah Kabugho she has responsibility for the Kinyamaseke Archdeaconry.
